

Yale Expositor 8-14-19

Dear Editor,

I would respectfully like to request that Jeff Wilson and Rob Wilson of Mid Michigan Materials agree to meet with the Boy Scouts, Grant Township officials and Six Rivers Land Conservancy, as requested, to discuss a way to preserve Silver Trails Scout Camp.

It is a shame that a family from Yale would take part in the total destruction of a place of such natural beauty and importance to the community. I understand that Jeff and Rob were Scouts who spent time at Silver Trails. Future generations should also have the opportunity to benefit from it.

There are still ways that the camp can be saved. Grant Township, with the help of Six Rivers Land Conservancy, is willing to apply to the Michigan Natural Resources Trust Fund for a grant to purchase and preserve the camp. The first step would be for all parties to get together to discuss potential solutions.

To all of our supporters from the Board of the We Care Resale Ministry:

We just wanted to update the community on where our funds from the shop are being put to use in our community and the larger area of our school district and beyond.

We have just given \$5,000 to Yale High School for scholarships to SC4 for students in trades or academic programs for the upcoming year. We have also paid \$1,250 for a full truckload of food last month that the United Methodist Church so kindly distributed for us. Another \$1,250 was given to the Yale Public Library for painting the library conference room and other projects at the library.

Of course, we gave our support to the Bologna Festival and the Yale Boy Scouts car show.

We will be continuing to underwrite the soup suppers this winter and the snuggle blankets to cancer patients so graciously supported by the United Methodist congregation, who does the actual work for these programs.

This is a partial list of places in our community that receive donations from our organization: Yale Food Bank (housed & administered by Sacred Heart), Youth for Christ camp scholarships for local youth, Blue Water Community Action back packs for Yale students, Blue Water Pregnancy Center (name changed to Spero), Yale Lions Club Christmas projects, Yale Senior Center (Meals on Wheels & transportation), Community Free Thanksgiving Dinner put on by Yale Ministerial Association.

We also continue our original mission to have funds available for emergency
